PLAIN JANE EVENTS, PLANNERS FOR AMAZON COMPANY PARTY

"They were fabulous! Everyone loved the band, great mix of songs - the main female vocalist was amazing and loved the saxophonist but the whole thing was great."

CARNALL FARRAR CHRISTMAS PARTY

"VIBE were wonderful to work with and they absolutely brought the wow factor to the wedding day. Kyra sang like an angel for the ceremony and everyone was just mesmerised. In the evening the tone was changed to a cool, fun vibe and they got the party vibes going. I really hope to work together again at another wedding - thank you for everything!"
